HIGH QUALITY PRINT

100% POLYESTER FLAG MADE OF PET BOTTLES

With a 10.000 sqm flag
production, we clean 110.000 pet
bottles from nature.

1) Recycled pet bottles

2) Pet bottles shards are
used as raw materials

3) Shards are turned into
polymer chips

4) Production of recycled
polyester thread

5) Thanks to the recycled
thread, we obtain a
polyester fabric

Finally, the 100% recycled
flag is produced, while
respecting our planet.
